

Cog Belt Home Elevators

Different variety of Cog Home Elevators Models

The Cog belt lift system is the latest in Thyssenkrupp's new range of home lifts using varied technology platforms – offers premium enhancement of mobility in private homes. Every Cogbelt elevator receives the most painstaking attention to detail during its production at our state-of-the-art plant in Italy.

FEATURES

Ideal for high-end private homes and villas to improve their comfort and prestige. Incorporates innovative cog belt technology: silent and efficient, the gearless drive system can offer unbelievable comfort and performance.
